**ROYAL MAIL APPOINTS UNICOVER AS PHILATELIC
REPRESENTATIVE IN NORTH AMERICA**

Royal Mail Group Ltd is pleased to announce that it has appointed Uncover World Trade Corporation of Cheyenne, Wyoming as an official philatelic representative in North America.

For more than 40 years, Uncover has served stamp collectors in North America as a supplier of philatelic products including new issues from a number of countries. This appointment will increase the opportunities for collectors to enjoy the new stamp issues of Great Britain.

Operating under the name "British Stamp Service in North America, An Official Philatelic Representative of Royal Mail", Uncover will supply the newly issued stamps and other official philatelic products of Great Britain to collectors in the United States and Canada.

Collectors will be able to purchase individual issues and products or set up standing order services for many of the most popular products.

Great Britain, the country which invented the postage stamp with the famous Penny Black in 1842, releases new issues 10 to 12 times per year commemorating the history, culture, and accomplishments of its people.

The products offered include Mint Stamps, Miniature Sheets, official First Day Covers, Prestige Stamp Books, Stamp Cards, Coin Covers, Presentation Packs, Year Books, Year Packs, other annual collections, and many other interesting items.
